

## Brainiversity Game

Brainiversity: Brainiversity is a brain training game designed to stimulate your brain! The 16 different mental exercises cover language, memory, math, and analysis. Keep track of your daily workouts with the Daily Exam mode, and compare your results with other users. Your host, Edison, will keep you informed of your progress, share fun scientific facts, and occasionally make jokes. Keep your brain young and healthy with Brainiversity! Love it? go and start playing Brainiversity now.
