

Farm Frenzy Game

Farm Frenzy: If you thought life in the big city was crazy, wait until you get a load of the country life in Farm Frenzy! Daily chores have never been more entertaining as you cultivate your fields, feed your animals and gather the items they produce. Better keep the bears away from your ducks, though, or you won't have any eggs to sell at the market! Spend your earnings on upgrading your farm to churn out more products faster than before! So show Old MacDonald how it's done with Farm Frenzy! Love it? go and start playing Farm Frenzy now.
