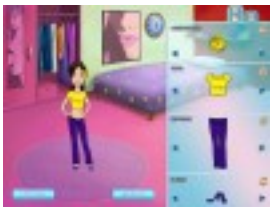
Fashion Boutique Game



Fashion Boutique: Maya's love of fashion and fresh ideas are just what Fashion Boutique needs to save a series of failing stores. Join Maya on her quest to keep everyone who comes to Fashion Boutique looking their best! Assist each customer in a variety of stores in cities across the United States. Compliment the ladies, flirt with the men, and maybe even add a few more items to each order and watch your sales soar in level after level of fast-paced fun. Try it on for size today! Love it? go and start playing Fashion Boutique now.
