

Great Wall of Words Game

Great Wall of Words: China has fallen under attack from Mongol armies! The Emperor of China himself has ordered you to travel the length of the Great Wall to make much needed repairs to keep the advancing armies at bay. You must now begin an epic journey along the wall, a race against time to save your homeland from destruction. At the end of your journey lies the Imperial Palace, which you must protect at all costs! Love it? go and start playing Great Wall of Words now.
