

Hidden Secrets: The Nightmare Game

Hidden Secrets: The Nightmare: Attempted Murder Victim Flora Dale wakes up briefly as she is rushed into the ER. Uncertain of how she got there, and unable to gather enough strength, she is unable to tell the doctors anything and quickly falls into a deep coma. As she lies trapped in her mind she begins a incredible adventure piecing together clues about her life, her day, and what led up to the events which put her here. Will she solve the mystery? Will she wake up in time to name her attacker? Love it? go and start playing Hidden Secrets: The Nightmare now.
