

Ice Princess Game

Ice Princess: The beautiful princess Mariebelle has been kidnapped by a magician who keeps her in an ice palace. She must be freed or her heart will turn to ice and she'll lose her feelings of love and kindness. A bold prince must find his way through mazelike paths to reach her. Use ice surfaces, various switches, bridges and teleports in correct order to pave the way. If the prince can find Mariebelle in time, their love will kill the cold and break the curse in this mind-bending puzzler. Love it? go and start playing Ice Princess now.
