

## **In Living Colors! Game**

In Living Colors!: Unfold the easel and don the beret for a picture perfect adventure. A new zoo is opening soon next to a fabulous castle. Your assignment is to search for exotic plants and animals to help populate the zoo. Embark on a painter`s dream journey through meadows, dark woods, hot deserts, and picturesque lagoons that lead to powdery white mountains. Dab your brushes in color to bring plants and adorable animals to life. They`ll be happy inhabitants of the zoo In Living Colors! Love it? go and start playing In Living Colors! now.
