

Jojo's Fashion Show Game

Jojo's Fashion Show: 20 years ago, Jojo Cruz was the hottest name in fashion. Then she retired to run her own boutique and raise her family. Now, Jojo is ready to show the fashion world she's still got style. Help the Mistress of Mix storm back onto the runway as she stages fabulous fashion shows from New York to Paris to Milan. Make stylish outfits from cute tops, elegant dresses and stunning heels as you showcase your fashion sense on the runway. Love it? go and start playing Jojo's Fashion Show now.
