

## Magic Seeds Game

Magic Seeds: Jane leased a lot of land and started her business of growing plants and vegetables. She has little money, few magic seeds but a big desire to grow plants. Help her make some money. Grow plants, take care of them, and protect them from mice and crows. Cross plants in order to get new varieties. By selling plants you can make money to cultivate your land, buy the lot and build you own house. Love it? go and start playing Magic Seeds now.
