

Penguins' Journey Game

Penguins' Journey: Shovel, pound and piece together wooden puzzle bridges to help your penguin friends escape to their homeland! Since these penguins are from Penguin Farm, they've never learned to swim, so it's up to you to help them reach Antarctica by building bridges over muddy marshes and vast oceans! Watch out for pesky frogs and other crazy distractions that will try to push your penguins overboard! Don't leave your penguin buddies behind...build that bridge! Love it? go and start playing Penguins' Journey now.
