

Rainbow Web II Game

Rainbow Web II: Rainbow Web 2 welcomes you again to the wonderful world of the Rainbow Kingdom! The Royal Palace is still in the grip of the Sorcerer Spider, who has weaved a web of spells, making the palace into the last citadel of evil in the magic kingdom. Match gems on webs, play a Hidden Object mini-game, and put together jigsaw puzzles to rid the land of evil. Love it? go and start playing Rainbow Web II now.
